Midlothian Friends Meeting
Meeting for Discernment
May 8, 2022

11 Friends were present at the Meeting House and 5 Friends were present on Zoom.

- After quiet reflection & discernment, revisions & edits, the State of the Meeting Report for 2021 was approved.

- It was agreed that on a trial basis, potluck would take place at the rise of meeting every 2nd and 4th First Day when children are present for religious education beginning on the Fourth Sunday of this month. Meeting will revisit and evaluate this decision in a few months.
