Midlothian Friends Meeting
Meeting for Discernment
July 14, 2019

13 Friends were present.

The following decisions were made based on the 'sense of the meeting':

- Midlothian Friends Meeting approves the process of spirit-led care and spiritual nurture that has evolved at our meeting over the last few years. We are therefore comfortable laying down the Nominating, Care and Community, and Spiritual Nurture committees. To address the periodic needs of Friends that require special attention, we will establish two to three Care Coordinators for our meeting; plus the clerk of meeting will now handle the initiation of periodic events instead of the committees that have been laid down. Ann Duncan will serve as an acting Care Coordinator for our meeting until an ad-hoc Nominating committee can establish permanent Care coordinators.
- Meeting will establish a Procedure Manual to document our Quaker processes related to the life of our Meeting.
- Meeting agreed to send via the QTC ways Friends might provide their donations to MFM, in order to address our current donation deficit.
