Queries to Discern the State of the Midlothian Friends Meeting

> "Are our Meetings for Worship with a concern for Business held in the spirit of worship, understanding and forbearance?"
>
> "In what ways do we each take our right share of responsibility in the service of the meeting?"
>
> Do we humbly set aside our own preconceived notions as to the proper action, seeking instead Divine guidance as to the right course?
>
> When direction seems lacking, is this seen as a challenge to a more prayerful search for truth?

Care and Community Committee Report

We held folks in the light.

Starting in August, a Friend needs transport and the schedule will come out on the Town Crier

This committee is also working on a wedding.

Spiritual Nurture Committee

We hashed out Spiritual State of the Meeting Report 2014. Dave Clark lead this section and the proposed changes will come through the Town Crier.

Building and Grounds Committee Report

June 28th we have a big celebration. MFM has invited other Quaker Meetings. We need some help to prepare for this gathering. We need: grass cutting, llama farm tour volunteer (Debbie), need 10 ½ gallons of ice cream with toppings, ice, etc.

PSAC

TQ received the Richmond Peace Education Center award as Peacemaker of the Year.

June 19th RPEC has a John McCutcheon concert going on.

There are three minutes that PSAC will be considering in the future: Religious Freedom, Drones and the Environment

Silence ended worship.
