

# Minute on Death Penalty Moratorium

Friends (Quakers) have traditionally believed there is that of God (Spirit) in all human beings and consequently hold human life as sacred. Midlothian Friends believe that it is wrong for the Commonwealth of Virginia to end human life. Accordingly, Midlothian Friends reaffirm their categorical opposition to the death penalty and support Friends Committee for Commonwealth Legislation (FCCL) and the Virginia Moratorium Campaign in their goal to establish a moratorium on the death penalty in the Commonwealth of Virginia.
