April 10, 2022

17 Friends were present at the Meeting House and 4 Friends were present on Zoom.

Today was dedicated to insightful messages regarding the spiritual state of our Quaker meeting. We used the queries from BYM to stimulate our discernment:

- What are the joys and sorrows that our meeting has experienced this year. How have you grown in the Spirit?
- What wisdom and tools might our meeting share with other meetings about how the Spirit has guided our response to the pandemic? What have been the challenges?
- What wisdom and tools might our meeting share with other meetings about how the Spirit has guided our discussions on racism. What have been the challenges?
- If our meeting was asked to make a t-shirt that you would all wear, what would be the slogan? Would there be a picture?
